The Herald has been unable to obtain the results of this election over the district but hopes to bring the figures for its readers next week.

DEMOCRAT CONVENTION IN CAMERON SATURDAY

Supporters of W. Lee O'Daniel successful candidate for governor in the July primary, were expected to have control of the county convention when it convenes here Saturday afternoon.

Only a few of the precincts held conventions on Saturday. The law requires election managers to call a convention immediately after the polls close. It was believed only a few delegates would be sent to the county convention.

The convention was held in Cameron Tuesday, in the East box with John B. Henderson secretary. A list of delegates was named but came in too late to be included in this issue. W. Lee O'Daniel received a majority over all the other candidates in Milam County and will therefore be entitled to control the delegation at the state convention.

FUTURE FARMERS RETURN FROM TOUR

Future Farmer delegates from the Cameron and Rockdale chapter and E. D. Parnell, Cameron Vocational Agriculture teacher, returned late Sunday from a week's tour that took them to San Antonio, El Paso, Carlsbad, New Mexico and other points of interest. At El Paso the delegates attended the sessions of the tenth annual Future Farmer convention where Eddie Allison, Cameron, and B. G. Barber and Frank Demke, Rockdale, were awarded their Lone Star Farmer degrees. Others making the trip were Ben Yager, and Walter Anderle, both of the Cameron Future Farmer chapter.

The group left Cameron early Tuesday, July 19, spent the sightseeing at Austin and San Antonio, and spent the night on the Medina River at Castrovilla. Wednesday was spent in driving West toward El Paso, with the group spending the night at Ft. Davis, the town with the highest altitude in Texas. Early Thursday a drive was made through the Davis Mountains to the McDonald Observatory, and the group then drove into El Paso for the convention. Degrees were awarded the boys at a banquet Thursday night. Convention sessions were attended by the group Friday.

A tour thru the Cralsbad Cavern Saturday after which the boys returned as far as Ozona. High water in the hill country forced a detour by San Angelo and Brownwood and the group arrived in Cameron at 7:30 p. m. Sunday.

Slavik and Turner In Run Off for Legislature; Devers And Clement for County Treasurer

Joe A. Slavik of Marak and Reese Turned of Jones Prairie are in the run-off for representative from the 64th district, Milam County in the election to be held on Saturday, August 27.

Mr. Turner was leading Slavik by a little over 500 votes. There were five candidates in the first primary. Walter B. Smith, Jr., of Rockdale was runner-up for second place in the election.

A run-off will be necessary in the race for County Treasurer between Woodsie Devers, incumbent, and Connel Clement of Thorndale, who nosed out J. C. Mayfield in late races from southern boxes.

All other county races were settled in the first primary. Judge Jeff T. Kemp defeated Gus Evans by an impressive majority, and R. M. Kennedy won his race for re-election over Gene Smith by the largest majority given any candidate with competition in the county races.

A run-off in the constable's race at Thorndale will be necessary between Connie Lawson and Fred Gant.

W. Lee O'Daniel, whose sensational rise to political power in Texas, swept him into the governor's office on last Saturday in the latest tabulations had received a majority of more than 28,000 votes over all opponents combined.

The democratic nomination is equivalent to election in Texas. There will be no run-off in the governor's race, because Mr. O'Daniel has received a substantial majority of the total votes cast. The only opposition Mr. O'Daniel may expect and which will be negligible will be the republican nominee in the November election.

The O'Daniel's left their home in Fort Worth Tuesday for an undisclosed destination on the Texas coast, where the democratic nominee will spend a few days making plans for his coming services as governor of Texas. With him is his wife and daughter, Mollie, and sons Pat and Mike members of the famous Hillbilly band featured prominently in the O'Daniel campaign for governor this summer. The Hillbilly boys have accepted an invitation for a week's engagement in New York City. On his way down, Mr. O'Daniel stopped in Huntsville and sold a carload of Hillbilly flour. (So far as is known

there is no Hillbilly flour in Cameron.)

As predicted in the last issue of the Herald Mr. O'Daniel won his victory in the first primary. He received a majority of almost two to one over all candidates in Milam County. This vote was also predicted by the Herald in its last issue. Ernest Thompson was second high in Texas with 215,000 votes and was second in Milam County with 1,285 votes. Bill McCraw, attorney general who fought Mr. O'Daniel, was a poor third and received around 700 votes in Milam County. Mr. O'Daniel's vote had reached the staggering total of 551,000 on the latest tabulation by Texas election bureau.

Pierce Brooks of Dallas, who campaigned on a similar platform as Mr. O'Daniel was leading the field for lieutenant governor and will oppose Coke Stevenson of Junction in the August primary.

In the attorney general's race Walter Woodul of Houston and Gerald Mann of Dallas will be in the run-off. For railroad commissioner Jerry Suddler of Longview and C. V. Terrell will finish the race.

Mr. O'Daniel brought to Texas politics a new method of campaigning. (Turn to page 7)

Belton, July 19.—Miss Ray Fanning, Cameron pictured above on the extreme right was recently elected treasurer of the freshman class for the summer term of Mary Hardin-Baylor College. Shown with her are, left to right, Miss Beatrice Pearson, Temple, vice president; Miss Dorette Alford, San Augustine, secretary; and (seated, center) Miss Julia Mangun, Belton, the freshman president.

Relatives and friends in Cameron were shocked when news came of the sudden death of H. E. Wolford, at his home, 832 Ninth Avenue, Fort Worth, Thursday night, July 21st, from a heart attack.

Gregor." Many friends in Cameron sympathize with Mrs. Wolford in her sorrow. She has not been in good health for many years, and at times is confined to her bed. She is the sister of the late Claude McGregor, who was well known in Cameron; and is a sister in law of Mrs. Gussie McGregor of Cameron.

To The People of Milam County

I am deeply grateful for the splendid vote given me in the primary election on Saturday, July 23, which placed me in the run-off for representative to the legislature.

I sincerely appreciate the pledges of support that have come to me from many voters who are for me in the run-off. During the first campaign I pledged the people of Milam County that I would vote, support, and fight for the interests of the aged people of Texas and if I am elected you can depend upon me to co-operate with our splendid new governor in his program for full payment of old age pensions.

I advocate economy and will go to Austin to assist in eliminating all the unnecessary tax eating agencies. I believe Texas is ready and waiting for a business man's and a farmer's government.

Your vote and support in the run-off primary election that will be held on August 27, will be greatly appreciated.

Sincerely,

Joe A. Slavik

Candidate for Representative 64th District
Milam County.

Miss Alberta Conner, daughter of Mr. and Mrs. R. M. Conner, became the bride of Edgar Johnson of Houston, at a ceremony which was solemnized Saturday evening, July 23, at the home of a friend of the bride, Miss Ruby Baylor, 204 North College Avenue. The Rev. Vernon G. Miles read the ring ceremony before an improvised altar of fern and bachelor buttons. Gleaming white tapers in silver holders lighted the altar space. The flowers were decorated with summer flowers and greenery. The bride was beautiful in a late model of Navy blue sheer with matching accessories, and wore a corsage of pink carnations. She carried out of the age old tradition of something old something new, something borrowed, and something blue. Mrs. Johnson is a graduate of Yoe High School and is well known in Cameron and surrounding communities. The groom, the son of Mr. and Mrs. E. Johnson of Waco, is a graduate of a Waco high school. He is at present employed in Houston where they will make their home. The ceremony was witnessed by close friends and relatives. After the marriage ceremony, Mr. and Mrs. Johnson left for a short trip to visit points of interest in Central Texas.

Many, Many Women Say Cardui Helped Them

By taking Cardui, thousands of women have found they can avoid much of the monthly suffering they used to endure. Cramping spells, nagging pains and jangled nerves can be relieved—either by Cardui or by a physician's treatment.

Besides easing certain pains, Cardui aids in building up the whole system by helping women to get more strength from their food.

Cardui, with directions for home use by women, may be bought at the drug store. (Pronounced "Card-u-i")

Miss Ruby Baylor complimented Miss Alberta Connor, bride-elect of Edgar Johnson of Houston, with a linen shawl on Wednesday evening, July 20, 1938. Appropriate games were played and enjoyed by the guests. Salad plates were served to the guests, with tiny wedding bells for plate favors. The white napkins were inscribed with the words, "Edgar and Alberta, July 23, 1938," and were encircled by a heart. Little Miss Mary Jo Fikes, dressed as Dan Cupid, presented the many useful gifts to the bride.

Post card greetings reached the Herald Wednesday morning from Mr. and Mrs. F. G. Blake who are touring a number of eastern states. At the time the post card was mailed, they were in Niagara Falls, Ontario, Canada. Mr. and Mrs. Blake will drive a new automobile to Cameron from the Ford factory in Detroit.

Misses Beryl Bigbee and Sydney Jean Stidham were joint hostesses for a lawn party Tuesday evening at the Bigbee House from 8 o'clock to 10:30. Out of door games and dancing were the diversion of the evening. Later open faced sandwiches, cookies and punch were served by the hostesses. Those invited were: Misses Mary Jo Stidham, Mary Kathryn Lawrence, Wanda Lee Vaughan, Edna Mae Hampton, Portia Kruse, and Bobby Hays, Sam Bill Law, Bobby Vaughan, Willard Skelton, Jimmie Angell, Albert Epperson.

The members of the Cameron Order Eastern Star Chapter, attended a meeting of the Bryan Chapter O. E. S. Wednesday evening: Mr. and Mrs. W. G. Harsha, Mrs. Raymond Sharpe, Mrs. David Smith, Miss Delpha Scott, Mr. and Mrs. W. H. Stafford, Mrs. Nadie Sapp, Miss Frances Sharpe, Mrs. Gladys M. Watson, Mrs. Mattie Shepherd, Mrs. W. E. Kuehl, Mrs. Story and Mrs. Don Slocumb. This was a joint meeting of the chapters O. E. S. in District No. 4.

Section 3. There were fourteen chapters represented in this district. Mrs. Norma Allen of Edna, Grand Worthy Matron of State of Texas, was present and gave a very interesting and instructive address. Mrs. Constance Peitsch of Calvert, Grand Worthy Deputy for this district and other grand officers of the Order were there. Among them were the Grand Officers, Mrs. Marvin Henson of Rockdale, who has the honor of being a Grand Representative of the State of Ohio, for the order; Mrs. Sheppard of the State of Colorado, who lives at Fort Collins, Colorado who is visiting this state at the present time. The different chapters represented in this district were invited to furnish at least two members to be on the program for the evening, and from Cameron Chapter, Mrs. Gladys M. Watson was organist for the evening's musical program, and Mrs. Kuehl was soloist. Mrs. Watson used the March during the ceremony composed by Mrs. Ruth Glagrove of Iowa, which she had dedicated to the Grand Worthy Matron of Texas for the year 1936-37. Following the session and program, guests were served lemon sherbert and individual decorated cakes. There were some 150 guests in all.

One of the most enjoyable events on the social calendar for this season, and perhaps will be remembered in days to come, was the reunion of the Cameron Senior class of 1921 which was held Saturday evening, July 16, 1938. They gathered at the home of Mr. and Mrs. Eber Flinn, both of whom are members of that class. Great enthusiasm greeted each member arriving, some whom had driven hundreds of miles to be present in Cameron for this occasion. A picnic lunch was served at the Wilson-Skelton Park after which members entertained by telling events and incidents which had happened in their lives since leaving Cameron High school. Mrs. Tennie Mae Robinson, of Chicago, who formerly was Miss Tennie Mae Bass, and was an instructor in Cameron High school, and was sponsor for the class the year they graduated, wrote a very delightful letter to the class, which was read that evening, and much enjoyed by all. Telegrams and other letters were read from class mates who were unable to attend at this time.

The decision to make the reunion an annual affair was unanimously agreed upon, and they made plans for next year's meeting. Several classmates could not be present this year because of vacation plans made previously to the announcement. Those present were: Mr. and Mrs. A. D. Harvey, Kingsville; Mrs. Harvey formerly was Miss Joe Smith; Mr. and Mrs. John Spratt of Fort Worth, he being a classmate of the class; Mr. and Mrs. Billie Clark of Houston, Billie being the classmate of that class; Mr. and Mrs. Thomas Hefley of Austin, he being the classmate; Miss Sue Smith of Del Rio; Miss Frances Hefley of Dallas; Mrs. Una Ray Kirk of Waco, who formerly was Miss Una Fay Terry; Mrs. E. U. Thornton of Jacksonville, formerly Miss Oleta Jackson; Robert Massengale of Austin; Robert McClendon of Ennis; Mr. and Mrs. Eber Flinn, she was formerly Miss Louise Denson; Mr. and Mrs. August Knipp, she before her marriage was Miss Christine Wallace; Mrs. V. L. Luckett, formerly Miss Evelyn Tyndale; Mrs. Grady Little, who before her marriage was Miss Oma Weems; and Alvin Dusek. The class of 1921 is remembered as the first class to issue the Cameron High Annual, famous publication formerly edited by each Cameron High Senior Class. Practically half of the class were present.

The home of Miss Anna Lee Kirk was the setting for a shower given as a courtesy to Miss Alberta Conner, whose approaching marriage to Edgar Johnson has been announced. The rooms were decorated in yellow and green. The same scheme was carried out in the refreshments. The bride was presented with many pretty and useful gifts, after which sandwiches and punch were served to Misses Virginia Fuller, Dorothy Harris, Alyne Humbles, Inez Hatch, Reba Devers, Ruby Baylor, Marguerite Baylor, Sue Kirk, Mary Joe Fikes, Mesdames R. M. Conner, Wright Price, Joe Bailey Fikes, Bob Kirk, Gene Hott, Johnny Baker, Aubrey Hitt and C. G. Moore.

Randy Williams celebrated his second birthday with a party given in the home of his grand mother, Mrs. J. F. Howard of Cameron. There were nine friends of Randy's present to enjoy the occasion with him. Besides Randy, those present were: Ann and Jean Bradbury, Tommie Dell and Dick Jennis, Franklin Stewart, Ted Richard Tiller of Houston, Bobbie Jean McCown, Martha Lee Weller and Jimmie Price. Many delightful games were played and enjoyed by the children, after which refreshments consisting of ice cream and birthday cake were served. The beautiful cake was decorated with two shining candles and souvenirs were tiny wishing balloons.

Having completed the first six weeks session of summer school, Misses Margaret Lesikar, Frances McDermott and Mrs. Kathryn Robbins of Cameron are now junior and senior students at Texas State College for Women. Both Misses Lesikar and McDermott plan to remain in school throughout the second term, but Mrs. Robbins has returned to her home for the rest of the summer. Doing their major work in the fields of home demonstration, library science and business administration, the Cameron students are also studying science, education, Spanish and other related subjects.

In spite of the fact that for over two thousand years it has been taught that "it is more blessed to give than to receive," still the vast majority is for getting the maximum benefit for the minimum expense.

Girls, find out who you are going to marry. Tradition has it that on the last day of May, promptly at 12 o'clock noon if you will hold a mirror over your shoulder so as to get the reflection of the bottom of a well, you will see in the mirror a likeness of the man you will eventually marry.

I used to shiver in horror at some of the scary tales old-timers told when I was small.

On Christmas last year, I saw an old looking young man gazing wistfully at a lovely knitted baby's outfit in a store window. Approached by the clerk, the man said, "I wish I could buy that for my little tot, but I have no money." He had spent all his money before he saw the little suit.

These returns are published in a number of tables scattered through the paper. This method has been found to be more efficient and of greater interest to candidates in the several races and their friends.

Tabulations were not made box by box in a few of the state races because of the lack of general public interest, but in all precinct and county contested races, box by box reports are published.

paingning, as well as a unique platform. He took the Ten Commandments and the Golden Rule from the Bible and combined this platform with an attack upon professional politicians. Mr. O'Daniel is a business man and declares he knows nothing of the practical phases of politics but has faith in the inherent good judgment of the people. He became their candidate and has declared in several statements following his election that he will be their governor.

Payment of \$30 per month to all people in Texas over 65 years of age brought to his standard many thousands of votes. He has not yet disclosed what methods will be used to obtain this money but is pledged to get it. At noon Thursday, old people were besieging his headquarters in Dallas, demanding that their next checks be written for \$30. Mr. O'Daniel will not be in office until January 1. The present average pension is a little over \$13.

A man friendly by nature, loving people, modest, and deeply religious, Mr. O'Daniel will take with him into the governor's office a fine human composite of character. He has said that he can obtain co-operation of the legislature, because he is a business man and knows the value of give and take. He has declared to give and take. He has declined to take sides in unsettled state races.

His first commitment came Wednesday night in Houston when he agreed to support Harris County in remitting all state taxes because of the need for development of the port of Houston.

Peace officers in the city were called to the Bartek Bar, a suburban place late Tuesday night to quell a disturbance. A number were placed in jail.

F. G. Blake, manager of the Coca Cola Bottling Company was host to a few friends in Cameron and served at the meal, Coca Cola brought back by him from Canada, and all agreed that the Cameron Coca Cola is the best.

To the People of Milam County

In the primary election held on Saturday, July 23, the people of Milam County gave me a splendid majority in my race for re-election as sheriff. I am deeply grateful for this expression of confidence in me and I want to take this method of extending my sincere thanks to each and everyone.

I conducted my campaign on a high plane and I am in a position to serve each and everyone of our people. To those who voted for my opponent I hold no ill will. I want their friendship and I will serve them with the same degree of consideration that I will those who voted for me. My ambition has been always to be the sheriff for all the people.

I will hold in grateful memory and appreciation all those personal friends who helped me in my campaign. It will be necessary in the future as it has been in the past for me to have the co-operation of all the people and I sincerely hope that I will be able to command the help of everyone in the service I render in the future as your sheriff.

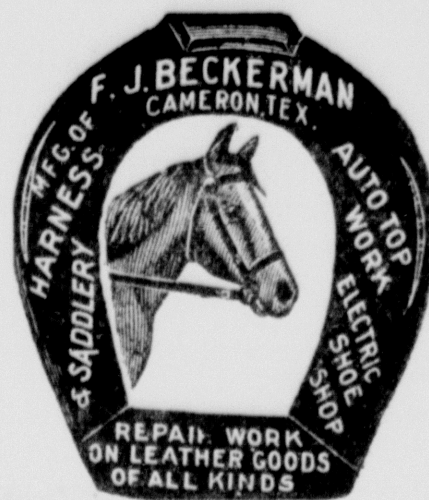

Sincerely yours,

Max Kennedy

To the People of Milam County

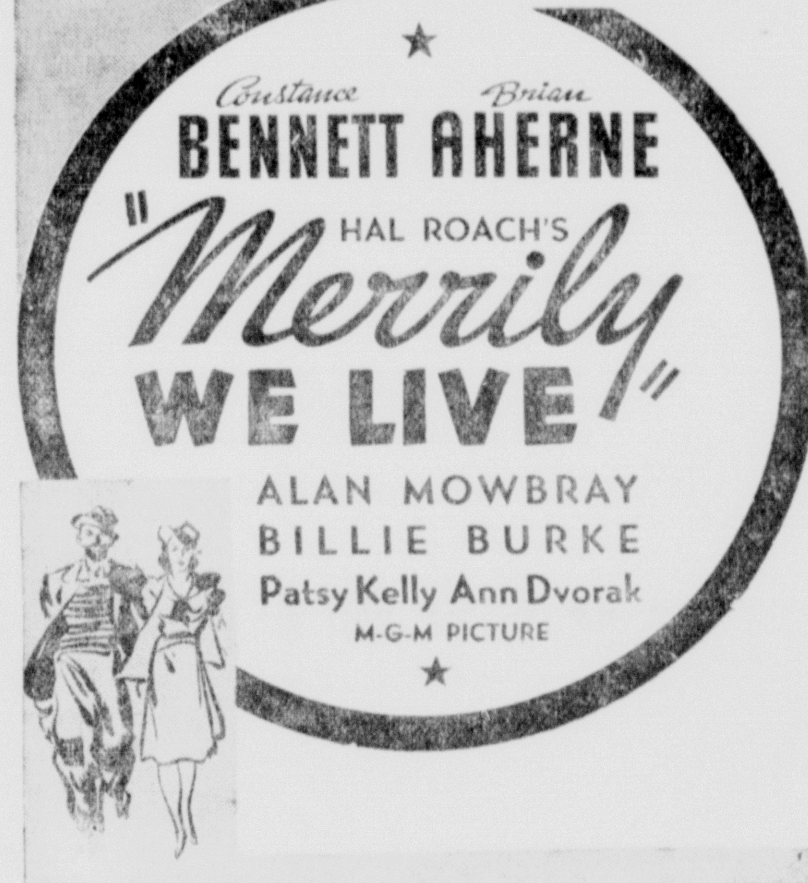

I will hold in grateful memory, friends of the campaign who worked for me so faithfully in the cause we championed for Texas. I am happy in the belief that we conducted a campaign high in ideals and constructive in outlook. We left no scars. It is our duty as Democrats and good citizens, to co-operate with the successful nominee and move forward for a better day in our state.

ERNEST THOMPSON

Services Wednesday night, July 13, brought the meeting at the Church of Christ in Minerva to a close. Large interested audiences were in attendance and efforts resulted in thirteen baptisms during the ten days of services. Dinner was served on both Sundays of the meeting. Evangelist Manuel B. Hartley of Greenville, conducted the services and is to return next July for another meeting.

OUR PRINTED FRIENDS

There is nothing in the world I enjoy more than to read a good book or newspaper. Books are a great pleasure to us in many ways. They are the record of the thoughts of some of the greatest minds that have ever lived. They contain worthwhile information—a background or foundation that we all need and want.

To read the writings of someone is to know that person himself. A writer never fails to give of himself in his works, whether it is the best in him or otherwise, it is on the printed page for all to read.

The works of many authors are inspirational to me. I can read them over and over again and never tire of them; in fact, I grow to love them more each day. Books are the best of friends. No one who likes to read need ever be lonely, there is plenty to occupy his time. Good reading increases ones store of information as well as furnishing him with inspiring ideas and a good way to use his leisure time. Some of the books I have read have been an influential incidence in my life. They have left a lasting impression for good. One of my seacial favorites is "In His Steps" by Charles M. Sheldon. I read in an official report that

over one million one hundred thousand copies of this great book have been sold and I am glad of it because it is indeed a splendid story and gives a good insight into the beautiful and lofty mind and soul of its author. I love the works of Longfellow, Poe, Whittier and many others who still live with us through the thoughts they handed down to us in literature.

Good books are indeed one of the pleasures of my life.

FARM CLUB NEWS

CENTRAL OF COTTON LEAF WORM

By the last of July and the first of August many of the "Millers" will be flying and may be expected to appear in all parts of the State. The eggs which are laid hatch in a few days and the young caterpillar feed at first on the lower surface of the leaves, as the worms become larger they make their way to the upper portion of the plants and rapidly consume the foliage. Farmers should watch closely for the appearance of worms in the fields and be prepared to apply poison on short notice, any one of the several arsenical poison may be used.

Calcium arsenate dust is generally considered the best. This should be applied at the rate of from 6 to 7 pounds per acre. It is also the best remedy for the boll weevil.

When Paris Green is used it should be mixed with flour to increase adherence and with hydrated lime to offset the danger of burning. The following proportion is suggested: 1

How CARDUI Helps Women

Cardui is a purely vegetable medicine, found by many women to ease functional pains of menstruation. It also helps to strengthen women, who have been weakened by poor nourishment, by increasing their appetite and improving their digestion. Many have reported lasting benefit from the wholesome nutritional assistance obtained by taking Cardui. If you need help like this, get Cardui at the nearest drug store, read the directions and try it.

NEWS FROM MILANO

Mr. and Mrs. W. E. Thomas and daughter, Lila left Milano July 7, accompanied by Mr. and Mrs. Edward Thomas of Pledger, and arrived at Blevins, Ark., the home of Mr. Thomas' brother about 7 o'clock p. m. Thursday. Mr. Thomas described his meeting with his brother as a joyful one as they had not met in 41 years. After a visit there they went on to Delight, Ark., to visit Mr. and Mrs. Wisdom, relatives of his wife. Later they went to Clark County, Ark., to see their old childhood home. Mr. Thomas says he cannot describe how much the country has changed. He left home as a boy and now instead of the youthful people he knew, they are old gray-haired people. Out at the cemetery, he read the names of many friends and loved ones who had passed away. Although Mr. Thomas says this was a wonderful trip for him and his family, he still thinks old Milano is good enough for him.

part Paris Green, 1 part flour and 5 parts of hydrated lime.

Best results are obtained by applying the poison with suitable machinery, but where such machinery is not available, the pole and bag method may be used.

The cloth of which the bags are made should be of proper weave or thickness to allow the poison to be distributed.

The bags should not be allowed to get wet. If possible apply the dust when the air is calm and the leaves are moist. Where spraying is preferred, 3 to 4 pounds of Calcium Arsenate may be used in 50 gallons of water.

County Agent, Milam County.

A SUMMER DAY

In the early twilight sweet voiced birds filled the air with their charming melody. Soon the sun, a great, shining ball of fire rose to quench the refreshing coolness of the early morning and to hush or drown to some extent the music of our feathered friends.

Soon everyone is astir. The early morning rush is on. There is the sound of running water, clattering dishes, shutting of doors, hurried footsteps, cheerful voices of greeting, the hum of automobile motors, the tractors drone, the hens busily singing while hunting their nests, the soft bawl of the little calf as he hungrily awaits his breakfast, the baby lamb's gentle bleat because he must have strayed too far from his mother; the day has begun. All are awake and busy.

Soon the noise subsided somewhat; the day is well on its way and the heat is mounting. In the fields the workman mops his brow and continues with his task; at the house the housewife performs her day's duties and the work goes on.

Soon it is noon. A few scattering

We know our business.

clouds gather in the day. Best of all it is dinner time and a hungry family gathers around the table to enjoy the good things to eat. Afternoon may be spent in rest and relaxation beneath the shade in the breeze. Children gayly chatter as they play in their brightly colored sun suits. Someone will read a favorite book. Perhaps another will engage in exquisite handiwork. Afternoon is the time of day when everyone may pursue his own personal preference for entertainment.

The evening wears on and the heat grows less severe. Again people begin their daily tasks, but it is not to be compared with the morning rush.

The sun now lowers in the west—it sinks behind the horizon, a faithful servant, its duties done. Again it is twilight and in the cooling dusk neighbors gather to talk about the happenings of the day.

GOOD RELIEF of constipation by a GOOD LAXATIVE

Many folks get such refreshing relief by taking Black-Draught for constipation that they prefer it to other laxatives and urge their friends to try it. Black-Draught is made of the leaves and roots of plants. It does not disturb digestion but stimulates the lower bowel so that constipation is relieved.

CANDIDATE FOR

REPRESENTATIVE

64th District

Milam County

Run-off Primary, Saturday,
August 27th, 1938

TO THE PEOPLE OF MILAM COUNTY:

As a candidate for representative to the Texas Legislature from the 64th district, Milam County, I pledge my support to the following:

1. Full payment of \$30.00 per month to every person in Milam County who has reached the age of 65 years.

2. I heartily indorse the position taken by Honorable W. Lee O'Daniel, our Democratic nominee for Governor of Texas, and pledge him my support and co-operation in the coming session of the Legislature.

3. I pledge my support to the school teachers of Texas and will vote for any legislation that will insure to them an adequate retirement fund. I also favor as high apportionment possible for the school children of Texas and the support of our public schools. I will vote for and support any legislation that will give full payment to bus drivers who transport our children to the schools of our county.

4. I pledge the school teachers of Texas and all those who work for the state that I will vote for and support any measure that will insure to them full payment of their vouchers without discounts at the bank.

5. I am wholeheartedly in sympathy with Governor O'Daniel in his plan to give Texas a business administration and to make this state a great industrial empire to consume the products of the farm and to bring employment to thousands who now have no jobs.

6. I favor exempting all homesteads in Texas up to \$3,000.00 in value from taxation for state purposes as now provided. A man's home should be his forever against such claims and I shall oppose any attempt to change this law.

7. Each year Milam County suffers heavy losses from floods and overflows. The people have had no relief from these losses. Some years ago the legislature began passing laws exempting certain counties from the payment of state ad valorem taxes. I think Milam County should be included with the 48 counties that have already been exempted and therefore will urge the legislature to give relief to Milam County.

8. I am a farmer. I live on a farm. I have lived in Milam County all my life. I am twenty-eight years of age and have had a life long experience as a farmer and a number of years experience as a business man and I feel that I know the needs of all the people of Milam County. If you will elect me to the Legislature, I will make you a good representative because I have had the experience and will serve all the people all the time.

To the Voters of Milam County:

Please accept my sincere thanks for the loyal support which put me in the run-off for County Treasurer.

My experiences in the first primary were pleasant and I look forward to the run-off with high hopes for success.

I earnestly ask all who voted for me in the first primary to continue their support in the second primary. I also, just as earnestly, urge those who did not vote for me to investigate my character and my capacity to discharge the duties of this office, and if you think me worthy, give me your support.

With gratitude for past favors I present my candidacy in the run-off and sincerely solicit your support and influence.

To The People of Milam County

I am very grateful for the large vote I received in the first primary, which gave me a substantial lead in my race for representative of the 64th District. From this expression of confidence I have received an abundance of new courage and strength.

I trust and sincerely believe that those who supported me so loyally in the first primary will continue to stand by me in the run-off election; and I earnestly solicit the help of those who were not able to support me in the first primary.
